A. Contract and Schedule of Values (SOV)—including three Addenda in posting

B. CBC Metal building—should have design and drawings from CBC in 4 weeks (Frank Webb Construction is a CBC distributor and works with them on a daily basis). Dan Burns asked that the plans be submitted to him when available. Manufacturing time estimated at 10 weeks, and takes 10-14 days to erect.

C. Project Schedule—Six month tentative schedule; estimated start date May 1, 2019 1. Milestone identification and timeline

   SWPPP staging—Yuba County Erosion Control measures—Dan Burns reminded all present to make sure the Stormwater Pollution Prevention Plan permit is in place.

   It was stated there is a 3” BVID standpipe in place for dust control—LRBV CSD needs to establish service with BVID

   Grading complete—Dan Burns has not yet reviewed the grading plan

   Pad certified

   Foundation complete

   Building delivery

   Erection complete

   Paving

   Final

D. Project Documentation

   Submittals—metal building first, review hydroseed for SWPPP

   Three week look-ahead

   Certified payroll reporting—DIR # (Department of Industrial Relations number required for public works projects): Megan at
• Frank Webb Construction to obtain—contractor is responsible for reporting to the State of California, with copies sent to LRBV CSD
• E. Geotechnical and Special Inspections—have not yet selected a firm for special inspections
• Agency solicitation
• Award
• Scheduling inspections
• F. PG&E Coordination (Addendum 2)
  • GRA electrical engineer has started the process—Mike at GRA to let GM Poggi know if any additional information is needed from the District
  • Paul of AEC said we need to coordinate the pole to panel location and get PG&E involved as soon as possible—the fees have been paid and the design has already been approved. Dino of Frank Webb Construction asked that all parties keep in communication on the status of PG&E
• G. Additional Comments:
  • Director Poggi stated that the District wants to schedule a ground breaking ceremony
  • LRBV CSD needs to get the well reconnected (if wiring/pipes were damaged when tank overturned)
  • The lead time on the 10,000 gallon water tank needs to be determined
  • Mike of GRA will be on site twice a month
  • Mike of GRA reiterated that the square footage of the building MUST be under 2,000 sq ft in order to not have additional construction requirements.
  • If members of the Board wish to view progress at the site, they must check in with the contractor and follow all required safety protocols.
• Dan Burns, Yuba County Building Supervisor, stated he will be at the site daily or every other day once work commences.
• Dan Burns also stated that while a special inspector is required for the project, the District does not need an inspector of record.
• Mike of GRA asked to be copied on any correspondence with Genesis Engineering
• **MEETING ADJOURNED 10:32AM**
• Respectfully Submitted
